PUBLICATIONS AND MEDIA

Publications and Print Media

The NEEF widely disseminates the results of its various programs and activities through publications of papers, articles, books, monographs, reports, and proceedings.

Publications in Journals/ Magazines/ Newspapers/ Policy Reports

- Institutional Strategy and Economic Impacts by Energy Subsidy Removals in EAS Region: Socio-Economic Impacts Of LPG Subsidy Removal For Household Sector In India, sponsored by the Economic Research Institute for ASEAN and East Asia (ERIA), Indonesia, 2016.

• Assessment of Sustainability of Bio-diesel Production Using Jatropha and other Tree Oils in India, prepared by NEEF for Economic Research Institute for ASEAN and East Asia (ERIA), Jakarta, Indonesia, June 2010.

• Social Aspects of Biomass Energy in India in a book titled Biomass Utilization Vision for East Asia, published by Japan External Trade Organization (JETRO), Institute for Developing Economies (IDE) and Economic Research Institute for ASEAN and East Asia (ERIA), March 2008.

• Size Distribution of Atmospheric Aerosols and Their Source Identification Using Factor Analysis in Bombay, India.

• Problems of Marine Ecosystems and Sustainability of Coastal Cities in India, Indian Journal of Environmental Health, 1999.

• Wastepaper Recycling Trade, Environmental and Socio-Economic Aspects, Encology, Vol.10, No. 9, Feb. 1996.

Conference Papers

• Indian Philosophy and Present Perspectives on Sustainable Development, A Community of Practice for More Effective Implementation of Higher Education for Sustainability in Asia, NTU, Singapore, April, 2016.
• Higher and Technical Education on Sustainability in India: A Focus on the State of the Art and Role of Environmental Education, proceedings of the workshop on Post-Secondary Education for Sustainability in Asia: Curricula, Case Studies and Community-Building, Nanyang Technological University, Singapore, February, 2015.
• Contribution of Environmental Research in Community Building: A Case Study on Household Solid Waste Management in Mumbai, India, proceedings of workshop on Post-Secondary Education for Sustainability in Asia: Curricula, Case Studies and Community-Building, Nanyang Technological University, Singapore, February, 2015.
• Sustainability Aspects in the Education System in India, proceedings of workshop on Sustainability in Education: Pedagogical Themes and Practices in Asian Countries, Nanyang Technological University, Singapore, February, 2014.
• Methodology to Assess Sustainability of Biomass Utilisation in East Asia, Presented at the 11th International Conference on EcoBalance (EcoBalance 2014), Tsukuba, Japan, October 27-30 2014.
• Involvement of Sustainability Aspects in Education System in India, Conference Proceedings for the workshop on Sustainability in Education: Pedagogical Themes and Practices in Asian Countries, School of HSS, NTU, Singapore, February 27 -28, 2014.
• Energy Trade Practices in India: Review of Tariff and Non-Tariff Barriers in Relation to the ASEAN, Presented at the meeting, First Working Group Meeting of Energy Market Integration, ERIA, Jakarta, 02-03 February 2014.

• Asian Regional Workshop on Life Cycle Cost Assessment of Infrastructure Projects, presented a discussion paper on Life Cycle Approach for Development Projects in India, UNU-FLORES and TERI University, New Delhi, December 18-19, 2013.

• Country Report on Some Evidences of Community Development from Bio-Refinery Ventures in India, at the Tenth Asia Biomass Workshop, organized by TISTR, Thailand, AIST and New Energy Foundation, Japan, Bangkok, August 03-07, 2013.

• Application of the ERIA WG Methodology for Sustainability Assessment of Oil Palm Empty Fruit Bunch (EFB) Utilisation as Bioenergy and Bio-materials in Malaysia, Proceedings of Ninth Biomass Asia Workshop, organized METI, AIST, NEF and JST, Tokyo, Japan, Dec. 3-4, 2012.

• Extending the ERIA WG Methodology for Assessment of Sustainability of Biomass Utilisation in East Asia, Proceedings of Ninth Biomass Asia Workshop, organized METI, AIST, NEF and JST, Tokyo, Japan, Dec. 3-4, 2012.

• Sustainable Energy Options in East Asian Countries: Reduction of GHG Emissions and Social Development through use of Biomass Energy in India, Invited Plenary Lecture, presented at 3rd International Conference on Climate Change and Sustainable Management of Natural Resources (TIMS-12), organized by ITM University, Gwalior, India, Feb 5-7, 2012.

• Social Dimension of Bioenergy Development In India, invited paper at the Indo-US Workshop on Designing Sustainable Products, Services and Manufacturing Systems, organized by IISc., India and NIST, USA, Bangalore, India, 18-20 August, 2009, also published as a book, Research Publishing Services, Singapore, 2010.

• Status of LCA/LCM Concepts and activities in India, presented at China Life Cycle Management International Conference, organized by the UNEP and Sichuan University,
Chengdu, China, October 18-23, 2008.

- Focus on Water Quantity, Quality and Regulatory Measures, presented at International Seminar on Water Management, organized by the Centre de Sciences Humaines and India International Centre, New Delhi, December 17, 2002.

• A Case Study of Domestic Defluoridation of Ground Water in Jaipur, India, presented at International Conference on Sustainable Management of Head Water Resources, sponsored by UNU, UN-HABITAT, UNESCO and UNEP, organized by USIU, Nairobi, September, 4-8, 2002.

• Overview of Life Cycle Assessment Activities in India presented during International Conference on EcoBalance and Life Cycle Assessment in India sponsored by MoEF (India), AIST and APO (Japan) and IDBI (India) held in Mumbai, India, February 13-15, 2002.

• Hydrology and Aerosols, presented during an International Workshop sponsored by UNESCO, IHP and MOEF and organized by School of Environmental Sciences, Jawaharlal Nehru University, JNU, Delhi, Nov.26-29, 2001.

• Air Quality Data Management in India, National Workshop on Environmental Database of Indian Economy, the UNDP, The Indian Econometric Society; Ministry of Environment and Forests, Mumbai, October 15-16, 1997.
• Environmental and Socio-Economic Problems of the Coastal Ecosystems In India: A Focus on Mumbai, Seminar on Coastal Cities of India: Responding to Environmental and Socio-economic issues of Concern, the International Federation of Institutes for Advanced Study and International Development Research Centre, Canada, Mumbai, July 16, 1997.

• Sustainable Solid Waste Management: A Case Study of Waste Paper Recycling in India, Environmentally Sustainable Development for Asia-Pacific Region, the United Nations University, Tokyo, and the UNDP's Capacity 21 Project, Mumbai, April 7-18, 1997.

• Climate Change Impacts: The Indian Impact Model, Proceedings of National Workshop on Science and Economics of Climate Change, Centre for Science and Environment, New Delhi, INDIA, Sept. 9, 1996.

• Climate Change: Policy Issues and Applicability of Economic Instruments, Proceedings of National Workshop on Science and Economics of Climate Change, Centre for Science and Environment, New Delhi, India, Sept. 9, 1996.

• System of Environmental and Resource Accounting for India, Conceptual paper, the Consultative Meeting at the UN-ESCAP, Bangkok, Oct. 3-4, 1994.

• Resource Conservation and Environmental Protection in India, Training Course, Asian Productivity Organization (APO), Tokyo, JAPAN, Oct, 11- Nov. 06, 1993.

**Audio-Visual Media**

NEEF's Media Group is involved in various types of media related activities such as the production of Audio-Visual Media, Publications, Awareness, Events and other Media programmes on Energy and Environment. NEEF has collaboration with Media Professionals and Companies for providing various services to Media Professionals. Currently, NEEF provides the following services at cost-effective rates.

- Documentaries, Films and TV Programmes
- Eco-Advertising and Marketing
- Eco-Event Management
- Other Media related Services of Environment and Development.
